## **INTRODUCTION**

### **Mission Statement**

To establish a Centre of Excellence in Medical Education, Training, Health Care and Research imbued with scientific culture, compassion for the sick and commitment to serve the underserved.

### **About Jodhpur**

Jodhpur is the second largest city in the Indian state of Rajasthan. It is located 335 kilometers (208 miles) west from the state capital, Jaipur and 200 kilometers (124 miles) from the city of Ajmer. It was formerly the seat of a princely state of the same name, the capital of the kingdom known as Marwar. Jodhpur is a popular tourist destination, featuring many palaces, forts and temples, set in the stark landscape of the Thar Desert.

The city is known as the "Sun City" for the bright, sunny weather it enjoys all year. It is also referred to as the "Blue City" due to the blue-painted houses around the Mehrangarh Fort. The old city circles the fort and is bounded by a wall with several gates. However, the city has expanded greatly outside the wall over the past several decades. Jodhpur lies near the geographic centre of Rajasthan state, which makes it a convenient base for travel in a region much frequented by tourists.
